

Should I attend a CHEA convention?

"CHEA is the expert in Christian home education in California. No one has the experience, the knowledge of what our state requires, the vision for encouraging California's Christian homeschooling parents, and the relationship with our state's homeschooling families that we do. God has blessed us and we are simply the best there is. Join us and see how your vision for your family and homeschooling your children will be strengthened just by spending the weekend at our Convention. Attending the Convention that supports homeschooling in California, and has for 30 years, will be an investment in the future

of California homeschooling. Conventions hosted by the statewide homeschooling organization provide funds for the benefit and protection of the state's homeschooling community, which is critical if private Christian homeschooling is to endure and not be usurped by the public education system.

CHEA's staff and volunteers are praying for your upcoming year, asking God to bless you and guide you as you spend the weekend with us considering your plans, choosing teaching materials, and enjoying the fellowship of like-minded California private Christian homeschoolers."

CHEA is your partner for success

We joined CHEA...

California needs its strong Christian statewide homeschool organization:

- To support our Christian vision for family discipleship
- To protect our homeschooling rights for generations
- To keep us up-to-date on what's new and what's happening
- To provide informative materials and encouraging events
- To advance the Kingdom of God through homeschooling

And that's really what it's all about.

**...so that when I grow up, I will have the
freedom to homeschool my children.**

Aren't you glad that there is a statewide organization like CHEA dedicated to advancing Christian family-based education in California. CHEA is supported through Membership fees, Convention attendance, and donations. Where would we be today without organizations like CHEA.

Be encouraged and up-lifted; attend a CHEA convention¹

You won't regret it!
